

Create a Walgreens ReadyDose Account

▼ Identity validation

Enter a Walgreens prescription number that you have filled **within the last 6 months**.
Note: Enter the entire 12-digit number. See the examples to the right. For mail service labels, enter the prescription number (Rx), then a hyphen (-), then the store number (ST).

If you don't have a prescription number or an invitation code, please call 1-800-READYDOSE (1-800-732-3936).

Invitation Code:

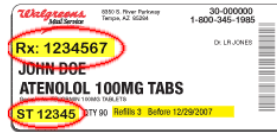

Prescription Number:
